

Agenda

MARIE SKŁODOWSKA-CURIE-DAY

Date: Monday, 6. October 2014;
09:30 hrs - 12:00 hrs

Location: Fraunhofer UMSICHT,
Osterfelder Str. 3, 46047 Oberhausen

Transnational and cross-sectoral mobility and the career development of the researchers are in the focus of the MarieSkłodowska-Curie actions (MSCA). The event will present 2 ongoing training networks of young researchers, *SHeMat/ Training Network for Self-Healing Materials: from Concepts to Market* (www.shemat.eu) coordinated by Fraunhofer UMSICHT and *DoHip/ Trainings Programme for the Design of Resources and Energy Efficient Products by High Pressure Processes* (www.dohip.eu) coordinated by Ruhr-Universität Bochum and will give an outlook on recent MSC actions financed by the EU Framework Programs for Research and Innovation »Horizon 2020«.

09:30 hrs	Welcome and introduction to Marie Skłodowska-Curie actions Prof. Dr.-Ing. Eckhard Weidner (Fraunhofer UMSICHT), Simone Krause (Fraunhofer UMSICHT)
09:40 hrs	Presentation of the projects DoHip and SHeMat Dr. Sabine Kareth (Ruhr-Universität Bochum/MB), Dr. Annette Schmidt (Fraunhofer UMSICHT)
10:00 hrs	Fellows report on their experiences Ann-Sophie Farle (Delft University of Technology), Elvira Mateos (Rubotherm), Luca Davico (RUB/MB), Markus Maier (Fraunhofer UMSICHT), Sara Marcos (RUB/MB), Vimal Saini (Fraunhofer UMSICHT)
10:30 hrs	Video of the SHeMat network
10:45 hrs	Management experiences Dr. Sabine Kareth (RUB/MB), Simone Krause (Fraunhofer UMSICHT)
11:00 hrs	Presentation of Marie Skłodowska-Curie actions under Horizon 2020 and information about the current calls Ulrike Kreger, Kooperationsstelle EU der Wissenschaftsorganisationen (KoWi)
